

HOKANSON'S SOCIAL STUDIES CHOSEN AS A USA TODAY BEST BET!

Your Web site has been selected as a "Best Bet" on the USA TODAY Education Web site for the week of 09/09/03-09/15/03

Each week the USA TODAY Education online staff selects three "Best Bets" sites they feel would be of educational value to our audience of subscribers and guests. These sites are listed on the USA TODAY Education home page for a one-week period with a brief description and a link to the site.

Fewer than 150 sites are selected each year as USA TODAY Education "Best Bet" Web sites. Be sure to let your key decision-makers, audience and community know your Web site has been selected.

Please visit our website at www.usatoday/educate/home.htm <<http://www.usatoday/educate/home.htm>> to take a look around and VIEW YOUR website under Best Bets!
